**This calendar of section-wise classes is tentative. Changes can be introduced by the Management as per situations, if needed. So, don't take the schedule in absolute sense. Rather consider it for building an understanding, how the classes will proceed.**

### NOTE:

- To maintain pace and finish on time, some modules are taught parallelly like Ethics & Geography sections. It will not be burdensome, rather one must understand that due to contemporary and current developments, teaching comprehensively, takes time.
